

Book Keeping Services

Features:

A bookkeeping service is provided as part of the monthly business support fee. The main aim of the bookkeeping service is to provide quarterly management accounts to assist your business mentor / buddy and facilitate the keeping of good financial records.

Our 'free' bookkeeping service is staged inline with the monthly business support fee paid. The total number of hours available to clients is shown below. This time will be divided between bookkeeping and mentoring support depending on the clients needs.

Loan Amount	Monthly Business Support Fee	Total Annual Hours of Business Support
£500 to £10,000	£ 112.50	30
£10,001 to £20,000	£ 165.00	44
Above £20,001	£ 225.00	60

Clients that require time over and above this shall be charged at £ 20.00 per hour for bookkeeping.

It is a compulsory requirement of the loan to provide your mentor / business buddy with quarterly management accounts. To reduce your costs we encourage clients to maintain good record keeping essentially reducing the book keeper's time.

Our bookkeeping services include the following:-

- Posting sales / purchases invoices to Sage software / Microsoft Excel
- Bank / cash reconciliation
- Input calculations of loan interest / depreciation
- Input wages / VAT control accounts
- Journal charges to correct expense / balance sheet category

The Business Enterprise Fund can only assist clients with VAT returns providing all information is received four weeks prior to submission date.

For loans over £10,001 we will provide a copy of Sage Instant Accounting and support in learning how to use it.

Requires two Guarantors/ Signatories to the loan
