

Providing new and young businesses with finance when they need it most

Features:

A range of loan products for business ranging from £500 to £100,000

Security:

In most cases a personal guarantee will be required. In some exceptional cases security against property may be required.

Application:

Application Form via our website – subject to the usual credit checks etc. Business plans will be required including financial forecasts along with latest management accounts for established businesses.

A loan, assuming all information has been provided, can be processed within 4-5 weeks above £20k and with a couple of weeks below £20k.

Interest Rate:

7% to 14% flat rate, fixed for the term of the loan. During the course of the loan we can vary the loan to meet the changing needs of the business.

Typical APR:

12.7% on £10,000

Term:

From 6 months up to a maximum of 10 years with capital repayment holidays if required.

Payment Example:

On a loan of £10,000 at 7% over 48 months the repayments would be £266.67

On a loan of £20,000 at 7% over 48 months the repayments would be £533.33.
